

CROMARTY COMMUNITY CINEMA

We are proud to announce that we are building a cinema!

Inspired by the visiting luxury of the Screen Machine, the film society wanted to ensure that people in Cromarty could enjoy the best films in the best conditions, all year round.

Our intention is to run a weekly programme of screenings, including big new releases, films for young people and the best independent cinema. Our new 33-seat, purpose built, fully accessible cinema will be constructed next to Slaughterhouse Coffee during 2019. We've received incredible support from key funders and our programming partners, Eden Court. Amazingly, we already have 90% of the funding in place, but **we now need your help** to reach across that final gap!

We'd love you to be a part of it, and are offering several rewards in return for your help: **You can sponsor a seat in your name or a name of your choice for £200, or put a name on a star in the cinema's interior for only £40.**

Please complete the form below and return it to Gail at elandooservices@yahoo.co.uk or post to 1 Barkly St, Cromarty. You can pay by bank transfer (**Sort code: 80 06 83, Acc: 06000921**) or cheque (made payable to '**Cromarty & Resolis Film Society**').

Name	
Address (incl. postcode)	
Tel
